FOR IMMEDIATE RELEASE

RAMP CLOSURES AT STATE ROUTE 99/137 INTERCHANGE SCHEDULED FOR NEXT WEEK

The Department of Transportation (Caltrans) announces scheduled ramp closures of the State Route 99 and State Route 137 interchange, within the Tulare city limits. These closures will be necessary to allow Construction crews to conduct striping operations as part of a project to modify curbs and install American Disability Act (ADA) curb ramps at this location.

The following closures will be in effect next week (weather permitting):

Southbound State Route 99 on-ramp and off-ramp to State Route 137 will be closed on Monday, June 27 through Thursday, June 30, 2011 at various times between the hours of 7:00 a.m. and 3:30 p.m. each day.

Northbound State Route 99 on-ramp and off-ramp to State Route 137 will be closed on Monday, June 27 through Thursday, June 30, 2011 at various times between the hours of 7:00 a.m. and 3:30 p.m. each day.

Southbound and Northbound ramp closures will NOT occur simultaneously. Closures may continue for longer periods of time each day if necessary, due to delays caused by weather or uncontrollable events that may occur during maintenance. Commuters are encouraged to take alternate routes whenever possible.

Caltrans would like to thank local residents, businesses and commuters for their patience and remind you to drive with extra care through construction zones and allow additional travel time while travelling in this area. Please be alert for Construction personnel and equipment and
“Slow for the Cone Zone.”
